“ *Dear Sweet Cappie and family
Sunrise ~ Sunset
It took me awhile to place the picture. He reminded me of your
young Uncle Jessie.
We aren't meant to bury our children but God needed another
angel.
Our prayers and hearts are with you all.

“ *I did not know Jason, however, I am friends with Cappie. Loved her
since our school days. I am sure he was the same kind loving and
family first person that she is. The world surely has lost a great
person. My prayers for all of his friend and family. May your love,
faith, memories and each other give you all strength.*

“ Prayers for the family and especially, for Caprice, who was always the devoted caring Mother. There are no words to express the depth of loss and sorrow felt when a beloved child has passed. Praying God will give comfort and strength to endure the journey of grief. Love, Betty Marr

“ I know that in our later years of school we weren't close friends, but we were still friends. You were the one who gave me the nickname Sparky, which I still go by and love. Thank you for that, sincerely. You are a great guy and I know that you're going to be deeply missed. I'm praying for your family and friends, and your kids especially. Thank you, Jason, for leaving a big mark on my life. 💜
