“ *Hi, my name is Tyson Hurley, I am JJ's nephew. I love JJ we all loved you and he is and will always be in our hearts. Wow, man, its been 4 whole years without you, I miss you JJ. I just wanted to say I wished better for you. You never had the opportunities that many other people would have, and I dreamt a better life for you, you were too young for addiction to take you. I just know your having a great time in heaven with our other relatives that passed, and you are probably making all the angels up there laugh their butts off and have such big smiles! Yeah, you were good at that. Fly High, LLJJ*
