“ *I am so sorry for Jenna's passing. It's a shame her egg donor is a crack head an she had no guidance in her life. No one helped her when she needed it, just what the could use her for. I have been there for Jenna since she was in half-way house and then River City, and back up in that Dayton hell whole. At least now she can rest, and be peaceful. Love you Jenna and sorry for all that happened to you*
