*I am sad to hear of Uncle Jerry's passing. I have many memories of him as I was growing up; his yellow Camero, the \$1 he gave me every Christmas. We both separately moved away and then crossed paths only a few times. Each time he always greeted me with a big smile. I hope my cousins will find healing from their loss and will find peace in knowing that Uncle Jerry is out of pain and now is with his family that has gone before.*
