“ Jerry was a great man he always helped me out and was there for me in great and tough situations. In the past I was not doing my best but now I’ve got myself together and I’m doing well and I just wish I could stop by and tell him so many great success stories this hurts deeply. Him and his wife milly are very great people and they did sure love their animals. Milly if you see this I hope you are well and I’m sorry for the loss of Jerry and your family’s loss. I’ll keep you all in my prayers rip Jerry rest high up on that mountain buddy

“ My deepest sympathy for all of the family. Jerry was a good man who loved the word of God. I have memories of him coming to the church picnic’s and how much he enjoyed all that good food! He was always so happy to come and socialize with people. He loved to talk to people and never knew a stranger. He will be greatly missed . Love and prayers, Kim
