“ *It's sad to learn of the passing of Jerry. In 1970, I met Vince and Jerry when I was hired by Shoemaker Ambulance working in Middletown as the contracted ambulance service for the city. I was also fortunate enough to work, at times, out of the Norwood Office driving the funeral coaches and making ambulance runs out of there as well.*

Such great times remembered working with Jerry. He and I drove an ambulance to Bradenton, FL to bring home an I'll family member (so long ago cant remember who it was).

May Jerry Rest in Peace with Prayers for him and the Family.
