“ Storer family -

I know this is very late but I just happened to see this. I am so, so sorry for this. My prayers will continue to be with you for strength and comfort. I am very thankful for the friendship shown to me by your family and I always deeply admired Jim. His love for his family was second to none and I really loved his sense of humor. Take care and hopefully one day we can all reconnect. Thank you, again, for adopting me into your family so many years ago and thankful for the assurance that we will one day see Jim again! - Dave Blanton
