“ Jimmy is my brother and will be missed but his SON was not posted but his name is Shane he is the oldest child of my brother. Jimmy would've wanted his MOM AND DAD at his service. him and his “wife” were not together at the time of his passing she kicked him out years ago. Karma will make its way back to her. Jimmy loves his family and would've wanted them there. My brother is finally in peace and away from her. I love you always, your crazy sister Sheila. And oh your niece Jadin. She made sure to say certain names lol

Really classy posting this on his obituary. There isn't going to be a funeral to attend. So I'm not sure how you weren't invited. Anyone is allowed to see him before the cremation, but you all are too busy talking crap about people. It could have been civil and you could get what you want if you act your age. But instead this is toddler behavior. It's really sad and pathetic. Pretty sure Jimmy wouldn't be happy with everyone bashing his wife whether they were separated or not. She still spoke to him and helped him all the time. She has legal rights to do as she pleases and with the behavior of his family I'm not surprised she wants nothing to do with you. If you would like to contribute to the costs of the cremation then I'm sure you'd be allowed to participate in what you would like and even have a part of him. But hmmm....no one has offered to help. So yeah his wife is doing the right thing until you all learn to act grown up. I'm embarrassed I even have to get on here and post something like this on my stepdad's obituary. You should be embarrassed.

I just read his obituary and it said a celebration of life will take place at another time. So why is the message from Sheila Smith so nasty? FYI this is not the place for such nonsense to be taken place. I'm so sorry Jackie you have to read all this. Sorry for the loss of Jimmy.

I know what it said I CAN READ!!!!!! I' m his sister and i can say what i want and it was said to us his "wife" didn't want his family to see him.

His wife never once said you guys couldn't see him. His daughter has went to see him. So I'm not sure why you are being so hateful. The name calling and harassment you have all done to my mother is absolutely ridiculous. Not one of you have offered to help her pay for anything! I think it's time to act like grownups and stop this nonsense.
