“ Oh daddy, I tried to protect you. I know why they didn't list you in the obituary. I was with you as you asked me too so it wasn't alone. I came home that next day to find you dead.. no more being screamed at, bossed around and worked like a dog. I love and miss you so much

“ Jimmy ran the queue line at the clown house while I worked there. We always had a great time laughing together and I really enjoyed talking with him. He was a great friend and always knew how to make a bad day feel better. So sad to hear the news, sending thoughts, love, and prayers to Nancy, family and friends.
