“ Hello Misty, Sorry to hear about the passing of your mother. I didn't have the honor of meeting your mother, but I'm pretty sure you are a great reflection of how your mother was, a great servant, loving and kind. Keona and I are praying for you and your family. Blessings to you, from the Nunnally's.

“ When I was in need of a Sunday school teacher, Pauline took me under her wing and introduced me to her teacher. God's got a good Angel.

“ Misty had moved away from home for the first time and was living in Atlanta attending Life Center Ministries. Joan came to visit and her love for Misty was so beautiful. She enjoyed meeting all her new friends and seeing that she was in a safe loving environment. She gave the sweetest hugs. Through the years I loved seeing Misty post about her mom. What a wonderful woman! Although she will be missed, Misty carries that same warm welcoming love and is so evident to all those around her. I can't wait to see all that Misty will experience in life from the amazing foundation her mother gave her.
