“ *I'm sorry to hear of John's passing. "Uncle" John and "Aunt" Becky were two of my favorite relatives to visit when we went to see my grandparents in Ohio. They were always fun to spend time with and were excited to see me and my brother. I remember them making the trip to Hickory for my wedding in 2000, which meant a lot. I enjoyed hearing their wedding story. They were also great friends to my parents. I will always remember the smile on John's face when we got together.*

“ *Condolences to the family of Cousin John. John and I were only a couple of months different (John was older). Since I am an only child, when John and I did things together we acted like brothers. I remember being jealous one time of John when he caught a large fish while our families were staying together in Livingston, Tenn. at Standing Stone Park. He was a great fisherman even when he was young.*

*He will be missed by this family: Rick Carmack*
