“ *I’ve known John for over 40 years. He actually introduced me to my ex husband. We were married for 38 years and had 4 Amazing children. We moved away to Virginia but every time I came to town I’d try to find out where John and his band were playing. He was such a kind, sweet big hearted man. He will be missed by all who rock n roll ! Loved him like a brother. See you on The Stairway To Heaven Buddy 🤔❤️🙏*

“ John was my very good friend since the 70,s,he was a great and humble,kind person who would gl've you the shirt off his back.he was a great vocalist who loved led zeppelin and seventies rock and roll.he was a great talent at cooking,which he did for me many times.he loved plaYing cards and dice games and partying at my house and having many discussions on about anything in general.he was truly an amazing person of high intellect,a compassionate,caring ,bearticulate human being,I myself am a better person for knowing him.I count my self lucky for having him in my life a true friend with a heart of gold,the world is a sadder place without him.John I loved you as a brother,I will miss you until the day I join you brother. All my love jimmy spencer.
