*My Uncle John will be sorely missed by all of us. He was truly a unique person. A man of few words, but when he did speak, it was when something of import needed to be said. When he laughed, it was over something where you laughed until you cried. I didn't spend much time around my Uncle John, and it is now something I regret. On behalf of mother, Carol Wills, John's sister, she wanted him to know she and everyone else loved him.*
