“ words can't express how sorry I am for your loss I loved her dearly she was always such fun to be around and so beautiful. I knew her from the time she was a little girl and was best friends with Joanna for years , then after I moved to Florida I never got to see any of the family often but saw Judy the most and always enjoyed and loved those times. My thoughts ,prayers for GOD'S comfort and my love for your family are with your family and a special prayer for Tim.

“ *I will always remember how wonderful Judy and Tim was when we had Danielle, they knew as young parents we would need help and breaks. Judy would call me and say "bring that baby over to me" and the three of them had a blast together. Love you Judy, you will be greatly missed.*
