“ Judy was one of a kind! She loved sharing stories of how she would prank all of her children when they were all home! She could make anything taste delicious! I don't even like vegetables but I loved her vegetable pizza!

One hobby Judy and I both shared was garage sales! Judy loved a good deal and loved being the 1st one there to get the best selection!!

I enjoyed my years working with Judy! I can't believe I miss those days!!
