“ Julie was a dear friend of mine. She was so caring and concerned about others despite her personal battles. She confronted each issue and battle with everything she had. Now she's at peace, not hurting anymore, and back with family and friends she missed dearly.

“ Julie was an amazing woman and was one of my top models. She loved to pose and be a model as well as an actress. Her beautiful heart made me fall in love with her the first time we met and did a photo shoot, and we became dear friends. I will miss her, but my memory of this angel will live on forever.
