“ Jutt u were my biggest fan, my best friend, my partner, I can't even believe I'm having to write about u in the past tense! I just want to turn back time. Tell u what was gonna happen.. if only. It says to share a memory and I have some hilarious ones but I know you're looking over my shoulder saying don't tell that one! You were the embodiment of Joy and Laughter! U ALWAYS had that goofy grin on ur face! Smiled from ear to ear and made other people smile with you. I never saw that smile so bright and sunny as the day u got to call this Old 91 model GMC Sierra crew cab yours! Ud been eyeing her for weeks and finally got up the guts to ask the old boy who owned her if he'd sell her and for how much. When he said he'd take a \$1000 for it u were begging me like a kid begs for The hottest new toy for Christmas. How could I say NO to those baby blues and u thinking if u batted ur eyelids at me I'd buckle. Well u were right. That's how I'll remember you in my mind every single day til I see u again... FOREVER BABY!😭💔

🥺💔💔💔 God Amy I'm so sorry. Sorry isn't even a good enough word to describe how I feel. U 2 caught like cats and dogs and loved with just much passion. I cannot Even begin to fathom how u feel. I know that's got to be pretty lonely even in a crowd of people without him here. He is your truest soul mate. It was no accident that God put the 2 of u in that womb together. U truly do have a piece of his soul wrapped up in yours and forever will. There are no words that can make any of this ok. And everyone always says if u need anything just call. But who do u call when you just need ur brother back? If u want to hear from Jutt just turn on ur radio. He's in every song. U know how he had to have that radio going. Didn't matter if it was gangsta rap or old time rock roll. He just needed music to be content. I'm sure he'll come to u in a song. I love u and don't ever forget that. I have so many more memories of him than I do pictures. That's where he lives now. He's still Alive in all my memories. And know as I'm writing this I can barely see through my tears so I messed up a few words forgive me. Hold onto his soul for us all Amy.
