“ *Dear Helen and Loved Ones,*

Karl was a wonderful neighbor who reached out to me as a friend. Karl and I spent some time the past few years working in his backyard garden and I really enjoyed the time and experience. Karl always greeted me with a smile and we experienced many meaningful conversations.... with lot`s of Karl`s anecdotal personal stories. My grandfathers died when I was young, and my father had passed years ago - Karl touched my heart and my life in a simple and genuine way.

I am saddened by his death; I am grieving and I will miss him. I know that Karl was a unique, stubborn remarkable man who "did his way". I have positive, heart feelings for Karl and his beloved Helen and I am blessed by their friendship.

I offer my prayers to all who cared about Karl and I extend a great big hug for Helen.

Thank you Karl and Helen. I care and I pray for your healing and grace.

God Bless.
