“ As a teacher in Monroe and at Central Academy, Kathy Stitsinger made a difference in so many children's lives. She was an incredible mother, a trusted friend to many and a good person. She was so happy to be a grandmother, always sharing pictures and stories at scrapbooking events. I am thankful that I had the privilege to work with her, attend church with her and to enjoy our scrapbook adventures in recent years. Our condolences to the family. Kathy will be missed.
