“ Rita, Todd, and Misty, We're sorry for your loss, may the Lord comfort and keep you all. I realize I didn't get much time in my life with Kevin. I can say he and Todd were my only older brothers I've ever had. I learned many things from Kevin such as how to swim, play Intellvision, drive motor cycles, and I learned he needed a lot of me time. He also protected me from the bullies in the school yards when I was little. I wish I would have gotten more time to know him more once we were both older, since we're only 4 years apart.

“ Will always have good memories of my nephew Kevin. From the good times we had when we were kids to when we became parents. Me & Kevin would take Dominique & Alexis to the park while he flew his planes & all the family would have cook outs & swim in the summer. He loved his children so much Alicia, Tara & Alexis. It broke his heart into that he couldn't spend time with his girls. Kevin always want to pilot a real plane but was never able to take lessons so he was into the remote control planes he built. He taught his self how to be a drummer & could play anything just after listening to it. He used to drive us crazy when he first got those drums. Will miss my nephew so much. He is in Gods hands now. Rest in peace.
