“ *As one of Larry's many cousins I remember going to his mother's house on Main Street while Larry was in high school and college. As the youngest son, he was often home from school to help his mom who raised all teh kids with Aunt Maggie after my uncle died. After he and Cathie married, I was their "favorite" babysitter as bridge was a frequent evening activity for them. Larry adn Cathie helped pay my way through school from baby sitting money.*

I am sad that Larry died. May he rest in peace.
