“ *There are so memories to share. Friday nights at the camp fire, tubing on the lake, learning to ski, cooking and baking. Turtle making, scrapbooking, card making, our trip to Mexico! Girls shopping at Christmas time was especially fun, I remember packing into the photo booth at the mall and nearly peeing my pants laughing trying to get a good photo of the 4 of us. I love how you loved us. You were a strong headed strong willed matriarch with a passion for your family. But a big softie at heart when it came to your grandkids. I will cherish these past few weeks we spent reminiscing in the wee hours of the morning. I miss you already! I love you to the moon and back.*
