Our Mom's were sisters and my Mom passed away at the age of 29. Loretta's Mom was very dear to me and my brother Dwight and always welcomed us into their home. The last time I seen Loretta was when Jack and her stopped by my house in Crittenden for her to give me a pitcher and glasses that my Mom gave her Mom for her birthday. We always sent Christmas Cards and the last one I sent was returned. So sad to lose contact with family. Sympathy and Condolences to Loretta's family.

“ *Loretta was a beautiful person, inside and out! I am so glad we got to meet personally, even though we lived so far apart. We shared so many of the same interests...she used to send me CDs full of photos of her beautiful yard and flowers. When my hubs had a serious stroke 16 years ago, she sent him a card every week. Just last week I was thinking how I hadn't sent her a card in a long time, and needed to do that. Hindsight. She is flying free now....Our deepest sympathies...and gratitude for the wonderful care given her by Brad and family! God bless you!!!*
