“ We first met Lorrie, her parents and her siblings in 1971 at Hunter Community Church back in the 1970's and the friendship continued for many years until life took us in different directions. Then earlier this year she called us and we had two wonderful visits with her! I'm so glad we were able to reconnect before her passing. We send love and prayers to the whole family at this difficult time.

I had the pleasure of being Lorrie's manager for the past several years! Lorrie always was so positive and caring about to all of our team members! Even though our team is 100% remote -- we all are truly FAMILY! Lorrie made this very easy! She was always sharing her talent of crocheting by gifting blankets that she made (and she always made sure they were the perfect colors). It may have been to just lift their spirits because of life troubles or celebrating a new chapter like getting married, having a baby or a new home!

*She loved sharing her recipes and shipping goodies to me!
She also gifted her quarterly bonus to local schools in her area!
She had a heart of gold for sure! And her fellow RAT's will miss her always!*

Thank you Lorrie for the gift of knowing you!!

And as you can see from the photo above -- Lorrie's Legacy will live on as her MedCo family continues to give quarterly in her memory and honor!

Prayers of comfort for her children and the rest of her family!

*Love always,
Wanda*

“ *I was one of the lucky ones that had the honor of working with Lorrie at MedCo Services. Since Lorrie was a remote worker, I never met her in person. However, her spirit came through on every meeting we attended together. She was a joy to work with and brought love and life to everything she touched. Her generosity and compassion for others was remarkable. Our thoughts and prayers are with the family. May your happy memories give you peace and comfort during this challenging time.*

“ Lorrie was my best friend. We talked and laughed. God sent her to me and I loved her with all of my heart. I will always remember her. She cared about me as I cared about her. Always remembered and always loved.

“ *I worked with Lorrie at Medco. Lorries and I became very close and talked to each at and out of work. She became very one of my closest friends and I am heartbroken. Lorrie brightened many of my days. There is alot more I can say about Lorrie, but there is one word that sums her up, Angel. She was an angel on earth. I am going to miss my friend dearly.*

I had the pleasure of being Lorrie’s supervisor at MedCo. Lorrie was amazing. I will truly miss her talks in the mornings. She had a heart of gold always making sure everyone she loved was okay even before herself. You only needed one talk with her and you were stuck for life. I don’t know what to say because this one hurts really bad. Lorrie will truly be missed by her Medco Family! My condolences to her family. She was truly loved and I hope she knew that.

I had the honor to work with Lorrie at Medco and she was such an amazing co-work and friend! She talked to me while I was going through a pretty tough time in my life and brought me out of a dark time. She heart had no limits and she always had time to listen. She also was just so smart and a world of knowledge she was always willing to share. I miss her voice everyday!
