“ To the Family of Mack Hurley,

It is with great sadness that I have learned of the passing of Mack. I had the privilege of working with Mack when I came on the S.O. in 1976. Mack "taught" me how to "work" the Middletown beat as I was a Hamilton boy and knew nothing of Middletown. As time went by, Mack became my patrol sergeant and worked for him for many years.

Mack was always fun to be with and taught me a thing or two and introduced me to Jerry Brown, owner of the Middletown Frisch's Restaurants, which was HUGE for me to meet such an entrepreneur.

Many times after he left the S.O., when I saw his "rig" parked at home, would stop by and chat about our good times.

My sincerest Symaphthy to Gerry and his Family and may Mack Rest in Eternal Peace.

Throughout this life we are blessed and privileged with having the opportunity to meet and enjoy the company, friendship and comrade relationships with fine men like Sergeant Mack Hurley. In reflection, I look back on the many times I had the privilege of being in the company of my departed friend as he and I "Worked" the Madison Township area. Mack as a devoted Deputy and Patrol Sergeant and I as a Detective. "Mack" always greeted me as "Size" and I vividly recall him placing a well deserved "Chow" of tobacco into his mouth while cracking some sort of joke as that quirky smile came across his face and he raised his leg and slapped his knee. Mack had other far-reaching talents other than exceptional Law Enforcement skills. Mack was a skilled people person as well as a talented musician. I miss Mack and know full well this world is a much lesser place with the void created with his departure. You Rest In Peace my dear friend and know I will think of you often. To your beloved wife of seventy-four (74) years- Gerry, as well as the entire extended Hurley family, I extend my sincerest condolences and heart-felt sympathy.
