“ *Grandma, I already miss you so much. You may not have known, but I called your nurses often, just to check on you. I have so many great memories of you. You were the best Mom, Grandma, Great-Grandma, Sister, Aunt & Friend that anyone could have ever asked for. I know that you are at peace now & are made new & whole in Heaven where there's no pain or sickness. While our hearts are broken with you being gone, your spirit & legacy will live on forever in everyone who knew & love you so much. I will always remind Breelyn & Jaxon how proud you were to show them off & how much you loved them, as they were always "our twins". Rest easy with God. You fought so hard, for so long; you deserve the rest. I love you.*
