*I was Bennie Cassels daughter. I loved this family a lot. Including Margaret. My dad passed when I was 14 and I never got to be in touch with you all again. As far as I know this was due to disagreements I knew nothing about among the adults. My thoughts and prayers are with you all . I also have noticed the passing of Butch and Tracy. God Bless you all. You are always in my hearts and I pray you are all comforted by our heavenly father . It's a sad thing for one to loose a family. Loved My Nana too. Never got to know when she passed away. Would love to hear from someone. If not I just pray you are all doing well. Janice Mitchell Leatham*

“ *My thoughts and prayers goes out to you all. I pray for comfort and peace that only God can give your hearts. She was a wonderful person, treated me and my children like we were her own. She cared and she loved deeply. I had many great times with her especially when she got her computer..we laughed until we cried sometimes.. but she learned how to use it and expressed her creativity by importing her photos to decorate them in her own designs. She taught me how to do quite a few things from setting an elegant table to being creative outside the box. She will be missed and she will live forever in our hearts. The best mother in law and me-maw anyone could ask for. Rest in Peace.*
