“ So grateful to have known Michael if only for a short period of time. A true genuine caring soul who touched my heart along with his sweet mother Kim. I wish you could have visited us down south. I had so many things planned for you, even though you always made fun of our Cajun food :) I know you would have loved the crawfish! You will remain in my heart forever. GOD bless your family and comfort them through this tragic loss. Forever your friends from Louisiana, Love Nelda & Emily.

“ Micheal was a great father to his kids and even when things were bad in his life he really tried to be a dad for them!!! I will never forget the look in his eyes and the smile on his face the day his son was born!!
