“ *I've known Mike since i joined MSC 14 years ago. He became a friend , and i looked forward to bantering with him as much as shooting on my visits to the club. He was a man of integrity and character , and that came through as i came to know him. The club just won't be the same without him. I will greatly miss him and his acerbic wit. My sympathies to Lynne- she had a great husband in my opinion

“ *I first met Mike 25-30 years ago when I was interested in shooting Skeet and Sporting Clays. The Sportsmen's Club was giving introductory classes on these sports. I was fortunate enough to get Mike as an instructor and I've continued doing both ever since. Good job Mike!*
I shot quite a few rounds with Mike and Lynn, two really great people.
Mike will be sorely missed. A great person with a sharp dry wit. I greatly enjoyed our many conversations over the years. He remembered things to rib me about and I tried to do the same to him.
His passing is a great loss.
