*Miriam was such a blessing to my life. She was a beautiful person inside and out. She was like a grandmother to me all those years that we worked together at NORRIS Insurance & NLH. She was always nice to me and her memory will live on. She meant the world to y dad (Tim) and my Uncle Phil. I am so sorry for your loss. I will always remember her. Joyce NORRIS*

“ *Bob and Bill and family, my sincerest sympathy to you in the loss of your Mother. I called her several times when she was in her apartment and visited with her. She was a very special lady in my life and my family as well. I pray that God provides each of you the peace during this time of loss. I certainly know what it is not to have your family with you. God Bless all of you. Pat Isaacs*

*Bob and Bill and families. May God give you the comfort during this trying time. Miriam was more like a Sister to me, than a Sister-in-Law. Have so many precious memories when she and your Dad would come to Florida to stay with us during the Winter. No one can take those away from me. I have them to cherish for a lot of great times with late DH and me, and our children also. Wish I could make the trip, but just can't because of some Health problems, but believe me I will be there only a few miles away. God Bless the entire family and know you are in my thoughts. Hugs and Prayers.
