“ In the short time that we have known Aunt Nancy and her family we have become very close to all of you, everyone has made us feel at home when we were there and welcomed us into the family. We will miss her BIG hugs, laughter and her huge kind sweet heart. Aunt Nancy always had a way of making everyone feel special, she could always brighten everyone's day and lift their spirits with her laughter and soft voice, and when she told you that she loved you, you knew that she really meant it.

We will truly miss her.

Sending our Love to all of our family,

Roscoe & Vonda Deaton

“ My memory of Nancy is when she went to Daytona with Bob and Susan and Tom and I. Went to Universal and they used her in a movie clip on a ride. We told her she was a movie star and she laughed and blushed. We really enjoyed her company ❤️
