“ I am sorry for your loss. I always enjoyed Nathan and tried to support him whenever I could. I will remember taking him with Renee to the Zoo, Kings Island and many trips to Armco Park. Later in life i enjoyed the 3 or 4 days we spent together after Labor Day taking him to visit his Aunt Gail in the hospital after her heart Surgery and going to the DMV in Cincinnati working on his insurance and license issues. Please let us know how we can help
