“ *Don't even know where to start mama. You meant everything to me only been 1 day feels like eternity. Our lives will never be the same without you. I want to call you hoping you will answer . You were always putting everyone else before yourself. Dilly and Bubby really miss you so hard trying to explain to them when I don't even understand myself. I would do or give anything to have one more day one more phone call one more hug. God ripped my heart into as I watched fade away tried so hard to stop it., God just wouldn't let me keep you with a little longer I know you're in Heaven with Mamaw,Papaw and Darlene and you're happy there I don't know what we are going to do with out mommy I just want you back with us Gwen and Bubby love and miss you. I know the day will come when all the chain links are once again connected to complete our Family circle. I miss and Love you always momma.. love Michael*
