“ *We loved Patrick from day one. He had the cutest smile and the softest curly hair. Justin loved to rub his hair in church and Patrick would just grin. I loved watching them play t-ball and other sports together. They became close friends quickly and continued until his death. He was like a son to us and he will be missed. Thank you Betsy for sharing Patrick. He's in the arms of Jesus and we need to rejoice and celebrate his life with love and wonderful memories.*

“ I came to care for Patrick during the time he dated my daughter. I knew him as he grew up with my daughter and her friends. My prayers are now with you Betsy as you grieve for your son.
