“ *Such an amazing lady who loved her students and made us all feel important. She was my most favorite teacher in high school. Her smile and sense of humor were amazing. She will be missed.* ❤️

“*Sis Louise, to say I'm so sorry seems such a little thing, but my heart hurts with your heart. There just aren't words enough to express, but one thing for sure, please know that you will be in my prayers today and many days to come. I pray God will spread his mighty arms of comfort around you and your family and hold you close, for that's the comfort that we humans are sometimes void of in a time like this. You are loved! “*I love running into Paula at the craziest of places out of town. So we would block people trying to get in or out of a store; too bad. We are talking. She always had a great smile and was a compassionate teacher; and her students needed that most of all. Paula will be missed.*
