“ Love ya mom, I'm so happy that you've found peace. You had the biggest heart and always put others first. I think you just ran out. You gave it all and kept nothing for yourself. Most of us didn't know how to take you but God had a plan for you and we're all putting it together now. See ya on the other side. Tell Grandpa I'm still trying to be like him and tell Jamie I still got his back.

“ Dear MIL, :)

*I will always be thankful for you treating the boys like they were your own and not making them feel like "step" grandchildren. I know I told you that but it meant the world to me. I'll never forget that and good times we had together. I am so glad you are resting and in peace.*

*Love your DIL,*
