“ *I am the secretary at her grandsons school. 2 years ago she came in and checked him out for an appointment. She saw that it was my birthday and wished me a Happy Birthday. She brought her grandson back from his appointment and had stopped and gotten me some cake for my birthday. I will never forget her kindness toward me, her love for her grandson, her smile, and her voice. Praying for this sweet family.*

“ *I worked with Peggy at Garden Manor until I had my daughter. It wasn't until years later that I found out my boyfriend (Nick Cornett) and her even knew each other. Such a small world. She had a beautiful soul and did everything in her power to take care of those around her. She will be missed by so many. Rest easy darlin.*

“ I worked with Peggy and she was a beautiful person. I had cancer  
and when I was able to return to work she came in often to see how  
I was doing even though she was fighting her own battle! She will  
be missed.

“ I could sit for hours and write down memories with Peggy. My fondest memory was, what a wonderful friend she was. When I left Garden Manor we didnt see each other like we wanted but I was forever more running into her at Walmart and we would catch up on our lives. When you had a friendship with Peggy, you really had a true friendship. She loved her family, especially those grandkids and was proud of them. We lost a precious soul here on earth, but heaven gained a true angel...hugs and prayers to the family.
