“ You're still here in my heart and mind and make me laugh because your stories will always live on I hold you in a thought and I can feel you. I feel you in and this gives me strength and courage the tears I have cried for you could flood the Earth and I know you have wiped each one away. For you Daddy I promise you I will go on with my life and make you proud I will always hold you in my heart I promise you I will be missing you everyday till the end of time but this is not my end and I can't hold my head under water I need to breathe I need to love and miss you but I also need to live because through me you will live.

You will still laugh and love,

Sing and Dance,

You will still hug and kiss

You will forever be in our lives,

YOU will FOREVER BE OUR DADDY, Grandpa, A son, a brother, an uncle and friend.

I'm going to MISS YOUR FACE!!

I THINK OF U AND WONDER WHY MY DAD!?!?!?!?
