“ *Hi Harriet.*

Fran and I are so sorry to hear about this. I always enjoyed joking around with Roger when he was in Hot Roll Processing and I was a young I.E. assigned to his department. He had a great sense of humor and was such a nice guy.

We are in California visiting Andrea and cannot attend the services, but our hearts are with you.

Love, Bobby and Fran Gough.

Dear Harriet,

Linda and I are so sorry for your loss and send our love and sympathy to you and your family at this tragic time in life. I have so many pleasant memories growing up with Roger, being treated as a member of the Dennis family and given the name "Laz", which Roger continued to call me for the rest of his life. While I did lose contact with him in later years, he was never forgotten.
