“ *I knew savannah from when she was at Verity middle school and we had classes together and then when I moved to Franklin we reconnected thru FHS & Warren county, we were friends on Facebook and kept up with one another thru that and I just seen her a year ago when I helped her with something. My thoughts and prayers are with you and your family during this time.*

“ To My Dear Sweet Friend Savannah 🥺❤️ We have always been such good friends, We acted just alike, There was never a dull moment when we were together. Ever since I heard you passed thoughts and memories just ran through my mind going back to being in school together sharing a hotel room in Columbus, being a bridesmaid in your wedding, coming over to hang out with you plenty of times and so on. My heart is broken 💔 I can't believe you're gone you messaged me just a couple weeks ago. This wasn't supposed to happen 😞 You still had your whole life ahead of you waiting on you to be the best version you could be for yourself and your babies , You were so sweet , Kind, you were bubbly you had a sense of humor always making everyone laugh and smile, You were a good person gone way too soon 🥺 We will see each other again One day.but for now save me a seat, And tell my Grandma that I love her and Miss her.
