“ *Kimber, I just found out Mom passed last week. I can't say how sorry I am. Shirley was one of a kind and supported me when I needed it most. And she wasn't afraid to kick my ass when I needed it. She has gone on, but will never be forgotten. Prayers to the whole family.*

“ Shirley, I will always remember you and I loved watching the sunrise and the sunsets. We would sit on your patio and watch the birds, the traffic and especially the clouds and try to tell each other what the shapes of the clouds looked like and laughed out loud at some of the things that we came up with. Thank-you for the silly and crazy times that you shared with me and thank-you for the little gifts that you would bring me occasionally. We shared so much together. I am so mad that you left me like this. I love and miss you my friend. Rest in Pease until we meet again.
