“ Your's was the first home singing Connie and I ever attended, when John Bayer introduced us to Sacred Harp, many years ago. Steve, and you Sue, were very much encouragers to us. Please accept my sincere condolences in you and your families loss.

“ Steve "joined" our family so many years ago. He came from a home where he had one brother and we threw him into a home with five girls. He certainly was in culture shock. He spent hours on end playing the piano; making beautiful music to God. He was talented beyond words. David and I will certainly miss playing music with he and Sue. Go play for the angels, Steve!!!
