“ *Steve will be sadly missed. He was a good friend and good worker. If things seemed to be going wrong, he always had something positive to say to turn it around.*

“ When we were much younger I remember going to a family reunion at Big Springs in Van Buren Missouri and hanging out with Brad. We hiked the trail around the spring and just enjoyed being cousins for a day. Seems like so long ago and as happens we lost touch over the years, but I cherish that memory and anytime it comes to mind it always brings a smile to my face. Rest in peace Brad. Uncle Steve, Aunt Reba and Amy, I am so sorry for your loss. Wish there was more I could say or do to make it easier for you. I love you all very much and will remember you in my prayers. God bless all of you. Love, Debbie (Dunn) Plachy and family.
