“ *Susan was the first friend I made after moving to Cincinnati from San Diego last year. I know that we moved here to be closer grand parents to our only grandchild. I met Susan just 3 weeks after arriving here. I used to tell her that I really moved here just to meet her! I miss her smile and her laugh...*

Karen, Larry, and Lorna, I am sorry for your loss. Susan was my best friend at Miami. She was known to my family as "Sweet Susan" and we will miss her dearly. Susan was supportive, kind, and a faithful friend. I will miss her ...may she rest in peace as I know she is whole again.
