“ Tania was a sister in law to me for several years. She and my other sister in law Tami at that time were like sisters not in laws. I loved Tania with all my heart. She wld take care of my daughter while I worked and I never had to worry abt my daughter, she took care of her like her own. We laughed and cried together through all the ups and downs life throws at us. Then she met the "love of her life" Greg. She always told me she was the luckiest woman alive. He takes such good care of me she wod say and ldk what Id do without him. I know Greg is heartbroken and Im sooo very sorry Greg. Thank you for being such a wonderful companion to Tania. For those of us who loved Tania she will be immensely missed. God only made one Tania Marie. I will always love and will always miss you. Tania, Aunt Tawn Tawn, Aunt monkey. I sure loved niece, Tania when she was a little girl and played with her then and turning her flips and JUST loved her little giggle! We couldn't get enough of each other. Then I lost contact when when I moved to Texas. But she was grown after some years apart and got married to Mr. Caudill. Something happened between her parents, my Brother and Sister in law, but not sure of WHAT. Don't know if was them or her. But I had got word that her and her husband was living in Houston, Tx when I was living there and I had married then, also. I searched the phone books and different ways and could never find where they were, to call or go. It bugged me too death. Now she's gone and it breaks my heart. I didn't know she was back in Ohio and had divorced as I'm assuming, cause she's been with her soulmate for 18 years, it says. She was such a sweet and beautiful girl! I know Greg Will miss her if he's been with her all those years.

Rest In Peace, Tania! Love you till I see you again!!
