“ *Jean is our friend, and we will miss her dearly. She loved to cook, play cards and find bargains at thrift stores and garage sales. We loved her smile and her laugh. She was plainspoken, and we loved hearing her "growing up" stories.*

We loved playing cards with Jean, even with her knarled up hands, she could still hold the cards and didn't miss a beat with playing them. She eagerly went Geocaching with me and loved it. She was always quick to jump in with two feet, no matter what the challenge. We will miss her dearly.
