*Praise the Lord Jesus Christ, what a sad day it turned out to be for me, today is 12/29/18, I had been trying to catch up with To. For over a year, and today after going by his house seeing the storm door hanging on by one hinge, and after going by his son Josh's house and finding out he moved a long time ago. I typed the word obituary Tom TIREY and came to find out he died a year ago, and I never heard anything about him taking iL.*

*I remember he took me to Porky Chambers room while he was in bad shape and we got him saved, before he died,*

*I am going to miss ya Tom, it hurt me to find out like this.
