“ My old friend, my old roommate, my old coworker. We were together when the planes came down on Sep 11th 2001. We were inseparable like brothers for a while, man did you ever love that old Camaro. I regret that we didn't keep in touch better. I regret that its too late for that now. I know you loved your family and your friends. My heart weeps for your family and your children. I know they will miss you most of all. They will be in my thoughts. I know you will find a way to watch over them. Rest in peace my brother, until we meet again.
