“ So sad to hear that you've gone "Farther on" I am looking back and discovering that so many of my friends have passed. This sad news finds me 4 years too late. We loved the Allman brothers, Jackson Browne, and metaphysical entanglement. Toking and drinking beers late nights on the baseball field, and laughing at the absurdities of the world. You were my best friend when I had none. You'll never be forgotten.

“ *Always remember hanging out at his or my house, when we were young, reading comic books. Drove him crazy when I folded them back at the seem.*

“ *My favorite memories with my Uncle Tony was walking to his house every other Saturday night. We'd all hangout in the living room and watch Monty Python. Those were the days. Give Nan, Papaw, and Dad a hug for me. Miss you so much!*
