“ My BFF since grade school I am so grateful for the friendship we had and how you shared your family with me as if we were sisters as we grew up in sunland tujunga (shout out to the simpson 's) which gave me so many happy memories to keep in my heart... i always hoped you would move back to california but i know the move to ohio is what enabled you to raise your family which you were so proud of and you gave your all to... you left this world too soon for all who loved you but now you can watch over us until we meet again... p.s. thank you for reaching out to me last December and I was able to tell you I love you one last time bcuz life gets in the way and we missed out on things we should've shared... please send me a sign when you get settled in and a save a spot for me for when I'm ready to join you in heaven... r.i.p. all my love, laurie

“ Our heartfelt sympathies to the Spicer and Simpson families.

Remembering the many fun times we had at Travis's and Theresa's home.

Christmas dinners, baby showers, pool parties and just hanging out by the swimming pool. Some of the most generous and welcoming people you would ever want to know.

You were the sweetest girl Tracy, always smiling and happy.

That is how we will remember you always.

"May the Lord bless you and keep you,

May God's face shine upon you and be gracious to you.

And may God look upon you with kindness and give you peace"

Rest in Peace Tracy.

*To My Baby Sister you know how much I loved you we were very close we knew each other secrets that no else knew I was with you the day you got saved at Lola's it was one of my happiest days knowing you would be going to Heaven no questions asked but this whole thing came on so fast and it was over. The first thing that came to mind when you passed I knew you were really going to be happy. You were so unhappy and very depressed for a long time now your with Jesus i'am so jealous you got to go be with him first. But he coming very soon for the saved and the ones that Loves him it's very close I cried when you passed but I cried for you Kirk and your kids and grandchildren they knew what a precious piece of jewel they had and it's going to be sad for them for a long while you were always a very wonderful sister, you were a giving never selfish, you would let people stay with you that had no where to go you helped people all the time but towards the end you were concealed in your house God knew it was time for you so you always wanted your own house but never got it always moving from house to house going with out now baby sister your in your own forever home and will never go with out I know Jesus has his arms rapped around you loving you and that makes me so happy.
